

Episode 13 - Million Dollar Moves?

Jeff Probst: <narration> *Previously* on Survivor... <An eerie music begins to play, as the infrared camera shows a close-up view of the moon, and then fades into a clip of the tribe's fire flickering>

Jonathan: <to Michelle> We're gonna have to *try* something; <Michelle now says "Yeah"> I don't know *what* the hell happened with Candice... <The camera continues to show Michelle>

Michelle: One of us has to win Immunity. <Another view of Jonathan is shown, as he nods>

Jeff Probst: <narration> Michelle and Jonathan realized their mistake in trusting Candice. <A clip of Michelle and Jonathan talking is then shown again>

Jonathan - CONFESSIOAL: Candice decided, for whatever reason, *not* to vote for *Jamie*, <The camera now turns to both Jamie and Candice> so that made it a tie-breaker situation at Tribal Council, <Another infrared view of Michelle is shown> and <short pause> Michelle and I *had* to switch our votes back to Danielle, <pause> so now Michelle and I are both *not* in a good position... <Several castaways can then be seen in the shelter, before the camera switches angles to show Cirie>

Jeff Probst: <narration> And with Bruce and Danielle both voted out, Cirie was all alone. <A clip of Cirie, Michelle, and Candice sitting by the fire is shown next>

Cirie: I don't think I'm a big threat to anyone. <Michelle can now be heard saying "No, you're not"> I'm absolutely positive that I'm not gonna win an Immunity against Jamie or Brandon... <laughs>

Cirie - CONFESSIOAL: I am an alliance of *one*, <Cirie is now shown again> and right now, the four from **Naranjo** have the numbers, <Rapid clips of the four former **Naranjo** members are then shown> but <long pause> I'm not gonna *actively* try to just mess up their plans because then I *will* get voted off next. <laughs> I just want to sit *back*, keep working as hard as I can and <pause> let them come to me as a *swing* vote... <A prominent drumbeat is heard, as the camera fades out to show several clay pots, each with a different castaway's name on it>

Jeff Probst: <narration> At the Reward Challenge, <A clip of Brandon tossing a Fijian war club is shown, as a pot shatters> Brandon took aim and smashed away the competition. <The camera now shows the remains of Candice's final pot and then turns back to Jeff>

Jeff Probst: <shouting> *Brandon* wins Reward! <Jonathan is shown with an annoyed expression>

Jeff Probst: <narration> Brandon chose Jonathan to go to Exile Island... <Brandon is shown again>

Brandon: I think Jonathan needs to go for a little vacation... <Jonathan is shown shaking his head>

Jeff Probst: <narration> And in a deceptive move, <Brandon can be seen putting one hand behind his back, as he clenches it into a fist> he chose his ally, *Jamie*, to join him on the Reward. <The camera shows a view of the entire **Ranguana** tribe and then focuses back in on Brandon>

Brandon: How many fingers am I holding up? <The camera turns to Jamie, as Danni says "Five">

Jamie: Four... <Brandon is now holding four fingers up behind his back>

Brandon - CONFESSIOAL: I was gonna take *Jamie* on the trip no matter what, but I wanted to make it look like everybody had a chance of going, <Michelle then says "One," as the camera shows Brandon revealing his hand, which shows four fingers being held up> so <pause> whatever number Jamie picked, I just said that was the *number*...

<A view of Brandon and Jamie getting out of a jeep and walking towards a temple is shown, as a Mayan woman greets them>

Woman: We welcome you to Nim Li Punit, <An aerial view of the entire site is shown> our traditional and beautiful place that our ancestors have given us. <Brandon and Jamie both say "Thank you">

Jamie - CONFESSIOAL: We were greeted by a family of real life *Mayans* with a chief and everything, <A wide view of eight Mayans standing in front of a temple is shown> at a place where the Maya are still living today. <An elderly Mayan man can be heard speaking in a foreign language, as several others lay out herbs, incense, and other aromatic substances around a central fire>

Jeff Probst: <narration> While Brandon and Jamie witnessed an authentic Mayan ceremony, <A Mayan woman now pours honey onto the fire, as the Mayans continue to chant> an exiled Jonathan set his next plan into motion. <Jonathan can now be seen striking his flint with a machete>

Jonathan: <talking aloud> Come on... <A few sparks are seen, as Jonathan gently blows>

Jonathan - CONFESSIOAL: I'm definitely counting on pulling *Cirie* into the alliance with myself and Michelle, <A clip of Jonathan sitting in the stone chamber is shown next> and I'm also hoping to approach *Candice* again to see if the four of us can go to the Final Four. <The camera continues to focus on Jonathan for a few seconds> I'm definitely not out of the game yet, so <pause> we'll see what happens tomorrow... <'Headhunters' begins to play, as the camera shows a wide view of several wooden structures, each with a long plank attached to it>

Jeff Probst: You are now holding 50% of your *body* weight... <Danni is shown, as rain continues to pour down. The camera switches angles to show Candice, who lets go of her rope without warning>

Jeff Probst: <narration> In an Immunity Challenge that tested the Survivors' ability to hold their own *weight*, <Michelle now looks up, as the camera shows Danni letting go of her two ropes and dropping into the water> it was *Michelle* who outlasted the competition. <An ecstatic Michelle is then shown>

Michelle: <shouting> Yes! <The camera then switches angles to show Jeff>

Jeff Probst: <shouting> *Michelle* wins Immunity! <Jeff puts the Immunity necklace around her neck>

Jeff Probst: Michelle is *safe* at tonight's Tribal Council; <The camera continues to focus on Michelle for a few seconds, as she nods her head> of the other six of you, somebody going home. The camera now switches angles to show the seven drenched *Ranguana* members returning back to camp>

Jeff Probst: <narration> Back at camp, Jonathan and Brandon found themselves on the chopping block. <The camera shows Michelle hanging the Immunity necklace around her torch>

Jamie - CONFESSIOAL: I think Jonathan *knows* that he's the target after what happened at the *last* Tribal Council. <Jonathan is heard saying "I started slipping a little"> I'm not happy to have him back from Exile Island. <The camera now shows Brandon, Candice, Danni, and Jamie talking>

Jeff Probst: <narration> With the *Naranjo* alliance in control, it seemed certain that Jonathan would go until Candice's loyalty was *questioned*. <The camera then focuses on Danni for a few seconds>

Danni - CONFESSIOAL: My alliance, <The camera shows a wide view of the former *Naranjo* members> you know, we do have the *numbers* but Jonathan's been trying to mess up our alliance, <A close-up view of a stern Jonathan is shown next> and all it

takes is one person to flip over, and I think if anyone did switch, it would be *Candice*.

<The camera continues to show Jonathan>

Jeff Probst: <narration> So Jonathan went to work on bringing Candice into his alliance with Michelle and Cirie. <Jonathan and Candice are then shown again>

Jonathan: <to Candice> If you don't do it *now*, you might as well not break them up at all because you can't have *numbers* over them; <Candice nods her head> and then they might just decide to discard *you* because they won't need your *vote*... <The camera scrolls around Candice>

Candice: <to Jonathan> I was gonna vote for Cirie, <A prominent drumbeat is heard, as the camera shows a quick clip of Cirie> but <pause> I don't even care who goes as long as I don't go... <laughs>

Jeff Probst: <narration> But when Candice showed reluctance to vote out *Brandon*, Jonathan tried to turn the tables on her. <The camera then returns to a frustrated Jonathan>

Jonathan: Candice's word is worth absolutely nothing. <There is an eerie sound, as the camera shows Danni> She told me that she was gonna vote *Cirie* off, <Cirie can be seen sitting in the shelter> and then a couple minutes later, she changed her mind and said she was voting for *you*...

Jamie: Candice tells everyone a different story. <Another view of Jonathan is shown>

Jonathan - CONFESSIOINAL: I'm trying my absolute *best* to convince *Naranjo* that there's no guarantee that Candice will stay *loyal* to them, <Candice and Michelle are now shown walking along the beach> so they're better off to get rid of her *now*. <Jonathan is shown again> If everything works out, it'll be *Candice* going home tonight... <'Tally the Votes' plays, as the camera shows an aerial view of Tribal Council and then cuts ahead to show the seven *Ranguana* members sitting down>

Jeff Probst: <narration> But at Tribal Council, <Jeff can be seen revealing a vote for Jonathan> Jonathan's plotting caught up with him when he was voted out of the tribe. <The camera now cuts ahead to show Jonathan placing his torch into the slot in front of Jeff>

Jeff Probst: Jonathan, <long pause> the tribe has spoken. <Jonathan gives a quick nod of his head, before the camera shows Jeff snuffing out his torch>

Jonathan: Don't let them *win*, Michelle. <A prominent sound is heard, as the camera shows Candice raising her eyebrows. Jonathan can then be seen walking out of Tribal Council>

Jeff Probst: <narration> Six are left. <Rapid views of the six remaining *Ranguana* members are shown, as the camera scrolls across them> *Who* will be voted out tonight? <The screen fades out>

Ranguana Tribe - Day 34

<'Confrontation' begins to play, as the camera shows a view of the morning sky, and then fades into an aerial view of several Mayan temples. The camera shows a clip of a crocodile in a jungle lake, before cutting ahead to show the Ranguana tribe's flag, and then switching angles to show Brandon and Jamie sitting by the fire and slicing up fruit>

Jamie: <to Brandon> Right now, we're in control of the game because we got *numbers*... <A close-up view of Brandon is then shown next>

Brandon: He knew it was coming... <The camera scrolls back over to Jamie, as he nods>

Jamie: Justice was *served* last night with Jonathan going home. <The camera then switches angles to show a clip of Michelle, who is sitting nearby>

Michelle - CONFESSIONAL: Last night, we went to Tribal Council and I had individual *Immunity*, <A close-up view of the Immunity necklace is shown> so <pause> Jonathan got taken care of pretty *quickly*. <laughs> <The camera now switches angles to show Brandon rifling through the fishing supplies>

Brandon: I think I'm gonna go try and get us some fish *early*... <Cirie is then shown next>

Cirie: <to Brandon> You're becoming quite the *fisherman*. <laughs> <Another view of Michelle is then shown, as she tends to the fire>

Michelle - CONFESSIONAL: <continued> It really doesn't seem *right* that there's three people left from Guatemala <Prominent sounds are heard, as the camera shows quick views of Brandon, Jamie, and Danni> and only one from each of the *other* three seasons, so <short pause> I'm gonna see if I can add some salt and *pepper* to the pot and work some Michelle *magic*. <laughs> <'My Island' begins to play, as the camera scrolls around the Ranguana tribe's beach, and then cuts ahead to show Michelle and Cirie walking along the beach>

Michelle: <to Cirie> Girl, it's just you and *me* now... <The camera zooms in on Cirie>

Cirie: I *know*, but <short pause> we need to try and get Candice to go to the Final *Three* with us <A clip of Candice lying in the shelter is then shown next> because otherwise she's fourth *place* and <pause> that would be the stupidest move ever for her to stick with them, <Michelle can be seen smiling and nodding her head> and for *what?* <laughs> <Cirie is shown again>

Cirie - CONFESSIONAL: Michelle and I have never been like *super* close, but <pause> after last night, now *Jonathan's* gone and everyone from Naranjo is still here, <A view of the three original Naranjo members> so all we really have is each other. <The camera then switches angles to show another view of Michelle and Cirie>

Michelle: <to Cirie> I feel like you're the one person I can *trust* right now. <The camera then shows Cirie, as she nods her head "I have no reason not to trust you *either*">

Cirie: <to Michelle> And I'm voting Brandon, Jamie, and Danni <Quick clips of the Naranjo members are shown again> in that order, just so you know... <The camera shows Michelle>

Michelle: <to Cirie> Did any of them promise you Final Two? <Cirie now looks up with an uneasy look on her face>

Cirie: No, why? <laughs> Did they promise you? <Michelle is shown nodding her head>

Michelle: Jamie said that he wanted to take me and I just said, "Okay," you know... <Cirie can then be seen smirking and laughing at the same time>

Cirie: <sarcastically> *Yeah*; uh huh. <Michelle is then shown smiling> Like he really means that. <laughs> <The camera continues to focus on Cirie for a few seconds>

Cirie - CONFESSIOANAL: Sometimes you can't *predict* who you're gonna align with in this game. <The camera continues to show Cirie and Michelle> I mean, I wanted to vote Michelle off in week *three* <laughs> and now she's my biggest ally against **Naranjo**, so <long pause> everything we *do* from now on is gonna be trying to convince Candice to vote off **Naranjo** <A close-up view of Candice is shown> and hopefully, <short pause> what is it? The third or *fourth* time's the charm. <laughs> <Several prominent drumbeats are heard, as the camera shows a clip of Brandon emerging from the water with a fish impaled on the spear>

Cirie: <talking loudly> How many did you *get*? <The camera continues to show Brandon>

Brandon: A couple got off the spear, <A close-up view of a large fish is shown> but <long pause> that's the *biggest* one I got right *here*... <Brandon is shown again>

Brandon - CONFESSIOANAL: A couple of days ago, you know, we set up some fake Final Two alliances with Candice, Michelle, and Jonathan, <The camera shows a view of Candice and Michelle> and <pause> *mine's* gone; <laughs> we voted Jonathan off last night, but the other two alliances are still pretty much in play, <A clip of Candice and Danni carrying a pot of water back to camp is shown> so if our plan *works* and everything, which it *should*, then the next person to go would be Cirie, and then we'll have a majority. <The camera shows a close-up view of Cirie, and then fades out to show Brandon and Danni talking>

Danni: <to Brandon> I really thought we should have taken each other to the Final Two in Guatemala, you know? <Brandon can be seen nodding his head> That was just how I *felt* out there. <The camera focuses back in on Danni>

Danni - CONFESSIOANAL: We're all here for the game right now; <short pause> you know, there's six of us left and it really boils down to who wants to *win*. <Danni is shown again>

Danni: <to Brandon> Jamie's obsessed with winning the million dollars, isn't he? <Brandon is then heard saying "Yeah, he is, but you *have* to be">

Danni - CONFESSIOANAL: <continued> So far, I've been able to keep my alliance with Brandon, Jamie, and Candice, <The camera switches angles to show Candice and Michelle talking> but <pause> sooner or later, *something's* gonna happen, and I want to make sure that I've got some *options* in place for the Final Two... <Danni and Brandon are shown again>

Danni: <to Brandon> Has Jamie said anything about going to Final Two with you? <There is a prominent drumbeat, as the camera shows Brandon looking up>

Brandon: <to Danni> We haven't made any promises to each other; <Danni says something inaudible> I mean, he's never said he would *take* me or anything, so <pause> I'm on the same page with *you*... <The camera continues to show Brandon for a few seconds>

Brandon - CONFESSIOANAL: I think everyone's *really* starting to think about the Final Two now; <short pause> like how to *get* there because, <A wide view of the

entire **Ranguana** tribe is then shown> I mean, we're down to only six days left.

<Danni and Brandon are shown>

Danni: <to Brandon> I think it's fair for us both to be sitting up there, <The camera now shows Brandon, as he says "Yep"> even if you would win against me; <short pause> that depends how the jury feels... <The camera then focuses back in on Brandon>

Brandon - CONFESSIONAL: <continued> Danni and Jamie both want to go to the Final Two with me, <Brandon can be heard saying "I didn't think I'd be a popular choice"> but now I'm in a tough *position* because yeah, we're supposed to be the Final *Three*, <The camera switches angles to show Jamie and Danni> but if I win the last Immunity, I'm gonna have to break my word to *one* of them and, uh, <pause> which one's the lesser of two *evils*, you know? <The camera shows Brandon sitting in the shelter by himself>

Brandon: <talking aloud> What the heck do I do? <The camera continues to show Brandon>

Brandon - CONFESSIONAL: <continued> I've been kinda set on taking Jamie for a long time, <Jamie is then shown again> but <pause> if I screw *Danni* over again, I don't know what she'll *do*... <'Determination' begins to play, as the camera shows a close-up view of the **Ranguana** tribe's fire flickering and then fades out to show Candice staring into it>

Candice - CONFESSIONAL: My idea since the merge has always been for the Final Five to be my four-person *alliance* with Danni, Brandon, and Jamie, <The camera scrolls across the three original **Naranjo** members> and also have *Michelle* in there for the fifth spot, <A clip of Michelle is shown next> and <pause> so far it's worked *out*, you know, and then by *that* point, I think **Naranjo** would be ready to get rid of *Brandon*. <A clip of Michelle sitting down beside Candice is now shown, as she says "Hi Candice">

Michelle: <to Candice> So what are you thinking about everything that's goin' *on* here? <A close-up view of Candice is then shown>

Candice: About what, in particular? <Michelle is then shown again>

Michelle: <to Candice> Everybody's alliances; <long pause> like, are you definitely gonna stick with **Naranjo** until the Final Four? <Candice can be heard saying "I don't know">

Candice - CONFESSIONAL: <continued> You know, as tight as they all *are*, I don't think they really want to go to the Final *Three* with each other <A clip of Jamie eating a spoonful of rice is shown> because *everybody* has said that Danni would be hard to beat at the end <Danni is then shown next> and Brandon's the biggest all-around *threat*, <The camera now scrolls over to Brandon> so <long pause> that's been my plan all along, but now that we got rid of Jonathan, it might be better to vote off Brandon sooner than later. <Candice is shown again>

Candice: <to Michelle> You would want *Brandon* off, right? <Michelle now nods her head>

Michelle: <to Candice> *Yep*, <pause> and Cirie is too, so as long as it's the *three* of us, we can at least make it a *tie*... <Candice is now shown nodding her head>

Candice: Exactly... <A prominent sound is heard, as the camera continues to show Candice>

Candice - CONFESSIONAL: I accomplished my goal of lasting longer than *Jonathan*, which is something I wanted to do for a long time, <laughs> but <long

pause> I mean, my number *one* goal is to win this game and see it through to the *end*, <A wide view of all six **Ranguana** members is now shown> so <pause> it's time to start looking at other options... <'Distant Land' begins to play, as the camera shows an aerial view of a large Mayan temple, and then cuts ahead to show a clip of Jamie walking through the jungle to get treemail>

Jamie: <talking aloud> Got a big time challenge today... <The camera now shows Jamie reaching into the treemail box and pulling out a scroll and a set of car keys, before cutting ahead to show him returning back to camp with it>

Jamie: <talking loudly> Got treemail! <A side view of both Danni and Michelle is shown next>

Danni: What does it say? <Jamie can be seen tossing the car keys down, as the camera zooms out to show all six **Ranguana** members and they cheer>

Jamie: *It's nice to be pampered.
For you, it's been a while.
Refresh yourself inside and out.
We're talking life in style.
This final Reward
Is the biggest it's true.
A day of rejuvenation
And a set of new wheels too.*

<'Light Hearted' begins to play, as the camera scrolls across each of the **Ranguana** members>

Brandon: <talking loudly> It's a challenge for a *car*! <laughs> <The camera returns to Jamie>

Jamie - CONFESSIONAL: Today is the last *Reward* Challenge, and it looks like part of the Reward is for a *car*. <A close-up view of Candice is then shown next>

Candice: Isn't there usually one *more*? <Brandon can be seen nodding his head>

Jamie - CONFESSIONAL: <continued> I was hoping it would be a challenge for all of our *family* members to come and visit. <Cirie can be heard saying "That's a car key right there"> I guess you'd say I'm a little bit *homesick*... <The camera scrolls back over to Brandon>

Brandon: <to Jamie> You gonna make it two for two in car challenges? <Jamie is now shown>

Jamie: I don't know... <The camera continues to focus on Jamie>

Jamie - CONFESSIONAL: <continued> I mean, I got some letters from another Reward Challenge, but <pause> I would have liked for my *mom* to be able to come out here and I don't think it's gonna *happen* now. <A prominent drumbeat is heard, as the camera shows Candice, Cirie, and Michelle standing away from the others>

Cirie: <to Michelle> If one of us doesn't win this one, <The camera shows Michelle nodding her head> I'm probably going back to Exile Island... <laughs> <Candice is shown next>

Candice: <to Cirie> But if I win, I'm gonna have to send one of you to *Exile*, <Michelle can be heard saying "Yeah"> or else they'll *know*, right? <Cirie is now shown> But <pause> I'm not backstabbing any of you guys... <There is an eerie shift in the music, as the camera cuts ahead to show a side view of the six **Ranguana** members walking out of camp, as the screen abruptly fades out>

Reward Challenge - Skull Pyramids

<'Voodoo March' plays, as the camera shows an aerial view of a large wooden structure which has a central area and several "arms" extending out in various directions. The camera now scrolls around the entire area, and then cuts ahead to show a close-up view of Jeff>

Jeff Probst: <talking loudly> Come on in, guys! <The camera shows another aerial view of the challenge area, as the six castaways can be seen walking up the beach and onto a wooden platform. The camera zooms in on Jamie, and then turns to Danni, before returning to Jeff>

Jeff Probst: Alright; <short pause> before we get to today's challenge, <The camera now scrolls across each of the **Ranguana** members> I'm gonna show you part of what you're *playin'* for. <A wide view of the challenge area is then shown, as Jeff pulls down on a rope, which removes a large cover from a brand new sports car. Excited cheers can be heard from the castaways, before the camera zooms in on Danni>

Danni: Oh my gosh! <The camera then switches angles to show Jamie>

Jamie: Nice ride... <A view of an awestruck Brandon is then shown, as he smiles in disbelief>

Jeff Probst: The winner of today's challenge gets *this*: <short pause> 2008 Ford Mustang *Convertible*, <The camera shows a wide view of the red sports car and quickly scrolls around it> with all the *accessories* and upgrades. <Candice is shown smiling, as she says "Wow"> The Ford Mustang *remains* the best-selling sports car in America. <An excited Danni is shown, before the camera scrolls across each of the **Ranguana** members, and then shows a close-up view of the Ford emblem. Candice is then shown again>

Candice: This is nice... <The camera then switches angles to show Jeff>

Jeff Probst: You'll put it to good use right away. <The camera now shows a wide view of the six **Ranguana** members> You will be taken by boat to the mainland where you will find this car *waiting* for you. <Jamie is shown listening intently> You're then gonna *drive* this car to a luxurious *spa* resort <A few gasps can be heard from the castaways> where you'll have a massage, pool, eat a nice dinner <Brandon is shown nodding his head> with dessert, <A close-up view of a smiling Cirie is shown> sleep in a comfortable *bed* cause you're spending the night.

<Danni is then shown> With six days left, this could be just what you *need* to get you through the rest of this game. <The camera then turns back to Jamie>

Jamie: The car doesn't hurt either. <Jeff is then shown with a subtle smile on his face>

Jeff Probst: Worth playin' for? <Another view of all six castaways is shown, as they excitedly nod their heads and respond with a very enthusiastic "Yes">

Candice: You *know* it is... <Jeff is then shown again>

Jeff Probst: In *addition*, the winner of this challenge will send one person to Exile Island. <A prominent drumbeat is heard, as the camera shows Cirie shifting her expression and then zooms out to show all six **Ranguana** members, before going back to Jeff>

Jeff Probst: Ready to get to today's challenge? <The castaways are shown again, as they respond with an enthusiastic "Yes"> Here's how it works: <short pause> you will race around the course, <The camera scrolls around the challenge area>

collecting a skull *puzzle* piece at each of the six stations. <A clip of a skull puzzle piece hanging from a rope is shown> Each time you get a skull, you have to come back to your table <A female castaway can now be seen setting a skull puzzle piece down> before you can go back out. <The camera shows a wide view of the six **Ranguana** members> Once you have all six skulls, <A view of six skull puzzle pieces on a wooden table is now shown> you'll assemble the puzzle pieces to create a skull pyramid. <The camera cuts ahead to show a completed skull pyramid> The pieces only go together one way. <Brandon is now shown nodding his head> First person to correctly assemble their skull pyramid wins Reward. <There is a prominent drumbeat, as the camera cuts back to Jeff>

Jeff Probst: You already know what you're playing for. <The camera shows another view of the Ford Mustang> Before we begin, a little bit of Survivor *trivia* for you to keep in the back of your minds: <Jeff takes a short pause, as the camera scrolls across the castaways> in fourteen seasons of Survivor, the person who won the *car* has never, *ever* won the game. <There is an eerie shift in the music, as the camera shows Candice tensing her expression and then scrolls over to Jamie. Jeff is then shown next>

Candice - CONFESSIOAL: Today, at the Reward Challenge, I won a 2008 Ford Mustang Convertible, <The camera continues to focus on both Danni and Candice> and <pause> I feel a *little* nervous about it because the winner of the car has never won the *game* before, <Danni is now heard saying "Wooh!"> so it's a tough obstacle to overcome. <Danni is now shown>

Danni: <to Candice> Two, uh, *tough* girls tearing up the *streets*... <laughs> <Another aerial view of Candice driving along a dirt road is then shown>

Candice - CONFESSIOAL: <continued> Whether or not there *is* a curse that keeps the winner of the car from winning the million dollars, <Candice takes a long pause, as the camera shows her and Danni pulling up to the resort> /don't know about that, but <pause> I can maybe beat the odds and still *win*, you know? <Danni is now shown getting out of the car>

Danni: How weird does this feel? <Candice then says something inaudible, as the camera zooms out to show the Ford Mustang> *Look* at that; <short pause> that is yours. <laughs> <A close-up view of Danni is then shown next>

Danni - CONFESSIOAL: It's hard to come in second or third, you know, when the prize is a new car, especially a Ford Mustang; <The camera now cuts ahead to show Danni and Candice walking into an elaborately decorated bedroom> an all-American *sports* car, and <pause> I have seven brothers too, so I kinda feel like I let *them* down... <Danni is shown again>

Candice: Oh... <Another view of Danni is then shown next>

Danni: And I'm gonna have to say "Well, I got to ride in the car." <laughs> <Candice is then shown, as she says "Yeah; at least you got *that*">

Candice: <to Danni> We should try to look as beautiful as possible. <Danni says something inaudible> you don't think it's *possible*? <Candice can be seen pulling her hair back>

Danni: <to Candice> No, hair down... <The camera shows Danni looking in a large mirror>

Danni - CONFESSIOAL: We got to look in a mirror again and seeing yourself, you know, in full-*length*, <The camera focuses on Candice, as she looks in the mirror> it made me look a lot skinnier than the mirror that we had from a couple challenges ago. <A clip of Danni's reflection is shown, as she says "Holy cow">

Candice: <to Danni> Why do you think you're losing so much? <Danni is then shown>

Danni: <to Candice> I have a high *metabolism*, so I drop really fast... <The camera continues to focus on Danni for a few seconds, as she brushes her hair back>

Danni - CONFESSIOAL: <continued> Oh gosh, I was disgustingly skinny, <Danni can be heard saying "Ew"> so <pause> after I saw that, I said "No, we have to *eat*," so I can start to gain it all *back*. <laughs> <A clip of Danni and Candice walking out to a covered deck is shown, where a table of food is set up>

Danni: <excitedly> *Candice*... <laughs> <Danni can then be heard saying "This is unbelievable," as the camera scrolls across the assortment of food>

Candice - CONFESSIOAL: We decided to eat a little bit first and then take *showers*... <A view of water running out of the shower head is shown, before the camera scrolls down to show Candice scrubbing her hair>

Candice: I feel so *spoiled* right now... <laughs> <Danni is then shown in the adjacent shower, as the camera shows a view of clumps of dirt being washed down the drain>

Danni: *Ew!* <The camera continues to show Danni for a few seconds>

Candice - CONFESSIOAL: <continued> ...have our *massages*... <The camera shows a young Belizean woman massaging Candice's back>

Candice: I don't even want to *think* about the game right now... <laughs> <Danni is shown>

Candice - CONFESSIOAL: <continued> ...and then come back and *eat* a little bit more, you know. <Rapid clips of Candice and Danni both eating various food items are shown>

Candice: <to Danni> I'm wondering about *dessert*. <The camera now cuts ahead to show a plate with a slice of apple pie on it, before returning to Danni>

Danni: This is *good*, isn't it? <A clip of Candice eating a forkful of pie is then shown>

Danni - CONFESSIOAL: For two skinny girls who probably weighed about a hundred *pounds*, we ate so much; <Danni is now shown eating a large brownie> you know, we kept eating and eating off-and-on for hours, <Another view of Candice eating a piece of cake is shown> and <pause> we ate *everything* right down to the dessert. <The camera shows a wide view of several empty plates, and then zooms out to show both Danni and Candice>

Candice: <to Danni> Something like this just *rejuvenates* you... <Danni now nods her head>

Danni: It was so refreshing, and <long pause> we're gonna be in the Final Four! <Danni is shown smiling, as she and Candice cling their glasses together in a toast>

Candice: Yeah; <short pause> to Final *Two*, not Final Four... <laughs> <The camera continues to focus on Candice for a few seconds>

Candice - CONFESSIOAL: I'm trying my hardest to not let anything *slip*; <short pause> it's *awkward*, <Danni is shown again, as she smiles> but I just have to let her think that I'm still on board with **Naranjo** for a couple more *days* and then I think, you know, <Candice is seen pulling the sheets down on her bed> they'll be a *big* surprise at whose name comes up three times at Tribal Council... <The camera cuts ahead to show both Candice and Danni in their beds, as Candice leans over and turns off the lamp. The screen abruptly fades out>

Exile Island - Night 34

<'Darkness' plays, as the camera shows an infrared view of Exile Island and a boa constrictor can be seen slithering along the beach. A clip of Cirie sitting in front of a fire is then shown next, as the infrared camera focuses in on the flickering flames and then zooms in on her>

Cirie - CONFESSIOAL: This is my second time coming to Exile Island in this game, and it's *lonely* out here, especially at *night*. <A view of the starry night sky is then shown> It's been thirty-five days since I've heard anything from my kids or

my husband, <Another view of Cirie is then shown> but <long pause> if I can do thirty-five, I *think* I can do four more. <laughs> <The infrared camera continues to focus on Cirie>

Cirie: *Damn.* I miss my family... <A wide view of the beach is then shown next>

Cirie - CONFESSIOANAL: I *hope* that my family is proud of seeing me last this long, not once, but *twice*. <Cirie can now be seen eating a piece of coconut> I mean, I can pretty much do *anything* now right up there with *MacGyver*, <Cirie is then shown tending to her fire> so <long pause> I'm just hoping that nothing's getting stirred *up* back at camp because <pause> with the way things are going, it might be *Brandon* who leaves next... <laughs> <A prominent sound is heard, as the camera shows a wide view of Exile Island and then rapidly zooms out, as the screen fades out>

Ranguana Tribe - Day 35

<'Sunrise' plays, as the camera shows an early morning view of the **Ranguana** tribe's beach, and then fades out to show their shelter, where Jamie can be seen lying awake under a blanket. The camera scrolls across several castaways and then focuses back in on him>

Jamie - CONFESSIOANAL: I didn't sleep very well last night; <short pause> you know, I was up for a couple hours tossing and turning. <Another view of Jamie is shown, as he sits up in the shelter> I'm beginning to think that I might not be able to beat Brandon in the Final Two as easily as I *thought* and <pause> that *worries* me... <A view of both Michelle and Brandon sitting by the fire is shown, as Jamie walks over to them>

Jamie: Did y'all eat yet? <A close-up view of a pot bubbling over the fire is shown, as Michelle can be heard saying "Not yet." The camera then scrolls back over to Jamie>

Jamie: I thought for *sure* they'd be back by now. <The camera now switches angles to show a clip of both Danni and Candice walking back to camp>

Danni: <to Candice> Back to the *old* world now, huh? <Another view of Jamie is shown next>

Jamie: Is that *them*? <Candice and Danni are then shown emerging from a jungle area, as Candice can be heard saying "Hey guys." Michelle, Brandon, and Jamie are then shown>

Michelle: Welcome back. <Candice can now be seen hugging Michelle>

Candice - CONFESSIOANAL: I didn't really *want* to come back to camp after the Reward. <A clip of Danni and Brandon hugging is then shown> You know, I just won a new Mustang and that's a pretty expensive Reward to miss *out* on, <Jamie is now heard saying "Congratulations" again> so I mean, there *could* be some jealousy. <Brandon is then shown next>

Brandon: <to Candice> *You* just won a new damn *car*... <laughs> <The camera then turns back to Candice, as she says "I know">

Candice: I'll tell you all about it; <short pause> do you wanna hear? <Candice is shown again>

Candice - CONFESSIOANAL: <continued> I'm thinking right now I'm in a *safe* place because Michelle and Cirie both *need* me if they want to be here tomorrow, <The camera switches angles to show a close-up view of Michelle> but <pause>

you never know what goes on behind your back in this game. <Jamie and Danni are then shown talking>

Jamie: <to Danni> Any strategy talk that I need to know about? <Danni shakes her head>

Danni: We both just wanted to enjoy the Reward... <Jamie says something inaudible, as the camera switches angles to show both Michelle and Candice>

Candice - CONFESSIOAL: You know, just looking at the number of *days* that are left and the number of tribe members that we *have*, <A wide view of each of the **Ranguana** members gathered around the fire is now shown> we've been tossing around that we might be having another double Tribal Council <The camera zooms in on Brandon> and the best night for it to happen would be *tonight* because then we'd be down to four, <A clip of Michelle and Candice walking along the beach together is shown> so <pause> Michelle and I have been discussing that possibility quite a bit... <The camera focuses on Michelle>

Michelle: I feel like we'd have to vote off Brandon first and then go for Jamie next, <The camera shows both Brandon and Jamie> because he hasn't won anything. <Candice can then be seen subtly nodding her head>

Candice: <to Michelle> He's always *up* there though, <long pause> but then if it's a tie? <The camera continues to focus on Candice> I'm just trying to think, you know, of everything...

Michelle: Yeah. <The camera zooms out to show both Michelle and Candice talking>

Candice: <to Michelle> Cirie wants Brandon gone for *sure*? <Michelle now nods her head>

Michelle - CONFESSIOAL: The person that I don't want to win *Immunity* would be *Brandon* because I'm hoping that me, Cirie, and *Candice* <The camera shows another close-up view of Brandon> are gonna try and get him voted off tonight for like the fourth time, <laughs> but we only have three votes and they also have three, <Danni, Jamie, and Brandon are shown> so the tie vote becomes a bit of a *problem*. <Another view of Candice is shown next>

Candice - CONFESSIOAL: The way a tie-breaker works is that the two people the tie is between are both given *Immunity* <A clip of the Immunity necklace hanging from Michelle's torch is shown> and whoever has individual Immunity *keeps* it... <Michelle is shown>

Michelle: <to Candice> We have to hope that one of them doesn't win. <The camera then focuses back in on Candice, as she nods her head>

Candice - CONFESSIOAL: <continued> ...so <pause> you know, there's only three people that would be vulnerable and if we all voted off *Brandon*, <There is a prominent sound, as the camera goes back to Brandon> he would become *safe*. <'Icy Chill' begins to play, as the camera shows another view of Candice and Michelle>

Candice: <to Michelle> What if we voted for Danni? <A quick view of Danni is shown> You, me, and *Cirie*... <Candice can be seen holding three fingers up on each hand>

Michelle - CONFESSIOAL: Whoever doesn't have *Immunity* would have to reach into a bag and pull out a *rock*, <A clip of Brandon carrying a rock above his head is shown> and the person that gets the *purple* rock goes home, <Brandon now drops the rock in front of the fire pit> so as long as Brandon or Jamie doesn't

get *Immunity*, there's a two out of three chance that we could send one of them home. <Michelle is now shown again>

Michelle: I just hope the challenge isn't how to farm a *field*... <laughs> <A prominent drumbeat is heard, as the camera shows the tide washing up against the shore, and then cuts ahead to show Brandon returning back to camp with a treemail message in his hand>

Jamie: Wow, it's a *book*... <The camera focuses on Brandon, as he says "You ready?!">

Brandon: *We started with twenty;
Feel lucky to be alive?
After tonight's Tribal Council,
There will only be five.
Staying won't require strength
Nor must you be too fast.
Just make sure that you remember
Things that happened in the past.*

<Jamie can be heard saying "Oh, it's a *quiz* one," as the camera shows Candice looking up>

Candice: "Things that happened in the past;" <The camera scrolls across each of the **Ranguana** members> is it the past, like this *game*, or does it mean in our other *seasons*, do you think? <The camera turns back to Michelle, as someone says "I don't know">

Candice - CONFESSIOAL: There could not have been a *better* treemail than the one we just got. <A clip of Candice re-reading the treemail book is shown> You know, the challenge is gonna be trivia about *Survivor*, and <pause> I love this game; <short pause> I've watched every episode of every season, <Michelle can be heard asking "What were the tribes called in your season?"> and I've got a great mind for *facts*, you know, so if I can't win *this* one, then *something's* wrong... <A prominent sound is heard, as the camera cuts ahead to show the three original **Naranjo** members sitting in the shelter together>

Jamie: It was Amy, Brian, <Jamie pauses, as Brandon says something inaudible> then Margaret... <The camera continues to focus on Jamie for a few seconds> Who did Margaret vote for at that Tribal Council? <Danni is now shown>

Danni: Cindy. <Jamie and Brandon are both shown again, as the camera returns to them>

Jamie: <to Danni> I think you're gonna know a lot more than I will... <Danni is shown next>

Danni - CONFESSIOAL: Jamie and Brandon and I are trying to brainstorm with each other and, <Brandon can be heard saying "Think about the challenges too"> you know, guess what kinds of *questions* we might be asked. <The camera shows another view of Jamie>

Jamie: <to Brandon> Who won the most individual challenges? <The camera shows Danni>

Danni - CONFESSIOAL: <continued> I'm sure that's what *everybody's* doing... <An eerie sound is heard, as the camera switches angles to show Candice sitting by the fire>

Candice: <talking aloud> Jessica lived on Exile for five days... <The camera continues to focus on Candice for a few seconds, as she says "J.P. won five Immunities">

Candice - CONFSSIONAL: You know, I'm not rooting *against* anyone per se, <A clip of Michelle as shown, as she puts the Immunity necklace back on> but I'm just hoping that I can pull this one *out*. <The camera switches angles to show a view of Michelle>

Michelle: Our gross food was pig snouts... <The camera then scrolls back over to Candice>

Candice - CONFSSIONAL: <continued> We can't make any definite decisions until we see who wins *Immunity*. <The **Ranguana** members are shown walking out of camp> If Brandon or Jamie wins, then I might have to stick with **Naranjo** for a little while longer, <A close-up view of Danni is shown> but if I win today, I might be more willing to roll some *dice*. <There is a haunting tribal chant, as the screen fades out>

Jeff Probst: Ready for the next question? <A wide view of the six castaways is shown>

Brandon: Yeah... <The camera switches angles to show Jeff reading the fifth question aloud>

Jeff Probst: Again, from **Survivor: Guatemala**, <Jeff takes a short pause, as the camera scrolls across the **Ranguana** members> which castaway picked the unlucky purple stone in a Tribal Council tie-breaker, <Jamie can now be seen smirking> resulting in their departure from the game? <The camera zooms out to show the entire **Ranguana** tribe, as the six castaways begin to write their answers down. Jeff Probst: Next question: <short pause> Alex, from **Survivor: Fiji**, is the only person in Survivor history to ever be voted out by the *opposing* tribe. <The camera shows a clip of Jeff snuffing out Alex’s torch> How many votes against him did he receive from the Ravu tribe? <A view of Jamie is shown, as he makes a confused face. The camera shows Michelle, and then scrolls down to show her writing her answer. Candice is shown counting on her fingers. A wide view of all six castaways is then shown, before the camera returns to Jeff>

Jeff Probst: Okay; reveal. <Candice and Michelle can be seen turning over their answers, which both say “5”> The correct answer is “five.” <A clip of Jeff revealing a vote for Alex is now shown. The camera then scrolls over to Jamie, who answered “4”>

Jamie: Dang... <Another view of both Brandon and Danni is shown next>

Jeff Probst: Once again, Candice got it right; <The camera shows Candice smiling> Michelle got it right, <The camera now turns back to Danni> and *Danni* got it right. <A prominent sound is heard, as the camera cuts back to Jeff>

Jeff Probst: Remember, after ten questions, whoever has the most points wins Immunity. <A close-up view of the Immunity necklace is shown, before the camera fades out to show the entire **Ranguana** tribe> After seven questions, here’s where we’re at: <short pause> Candice in the lead with *seven*; <Candice and Danni are shown> Danni with six; <Michelle is then shown nodding her head> Michelle and Brandon at five; <The camera shows another view of all six castaways> Jamie and Cirie at four. <Jamie now nods his head> The most you can do is *tie* with Candice. <The camera now focuses back in on Jeff>

Jeff Probst: Everybody reveal. <Cirie can be seen turning over her answer, which says “Aras.” The camera then scrolls over to Jamie, who answered “Terry”>

Correct answer is Aras. <Danni is now shown holding out her answer: “Aras,” before the camera fades into a clip of Jeff putting the Immunity necklace around Aras’ neck. Jeff is then shown next> Everybody got it right except for *Jamie*. <The camera shows Jamie again>

Jeff Probst: <to Jamie> With only two questions left, there’s no way you can catch up. <Jamie can be seen nodding his head> No need for you to answer any more questions. <Jamie caps his pen, before the camera scrolls across the other five **Ranguana**>

Jeff Probst: Cirie, <short pause> because Candice got it *right*, there’s no way *you* can catch up either. <Cirie is heard saying “Okay”> No need for you to answer any more either. <Jeff is now shown reaching into the bin to pull out the next question>

Jeff Probst: The game continues with four. <Jeff stares down at the card, as he reads the question aloud> next question: <shore pause> in **Survivor: Fiji**, who used a hidden *Immunity Idol* on a night when they did not receive the most votes *against* them? <An eerie flute-type sound is heard, as Brandon can be seen revealing his answer, which says “Yau-Man” The camera then scrolls over to Michelle> The correct answer is Yau-Man. <A clip of Yau-Man handing Jeff the hidden Immunity Idol is shown, before the camera fades out to show the entire **Ranguana** tribe> Everybody got it right. <Several prominent drumbeats are heard, as the camera cuts back to Jeff>

Jeff Probst: It comes down to two: <The camera turns to show Danni and Candice> Candice and Danni. <Jeff is then shown again> Candice has nine right; <pause> Danni, you only have eight. <The camera continues to focus on Jeff> That means if Candice gets this right, regardless of whether or not *you* do, *Candice* wins Immunity. <Danni can then be seen nodding her head> If Candice gets this *wrong* and you get it right, we have a *tie*. <Brandon is shown turning his head, before the camera returns to Jeff>

Jeff Probst: Final question: <Jeff now stares down at the question card> in **Survivor: Cook Islands**, <Danni is then shown smiling, as she brushes her hair back> who opted out of the “Sacrifice” challenge for \$10 000? <The camera scrolls across each of the castaways, as Candice and Danni can both be seen writing their answers down. Jeff is then shown>

Jeff Probst: Okay; <short pause> here’s how we’re gonna do this. <Another view of Candice and Danni is shown> I’m gonna ask you to reveal one at a time, starting with Danni. <The camera shows Danni turning her answer over, which says “Sundra”>

Jeff Probst: Danni says “Sundra.” <Danni is now shown with an uneasy look on her face> That is wrong. <Jamie is then shown tensing his expression, before the camera goes back to Jeff>

Jeff Probst: That means, Candice, <Jeff pauses, as the camera zooms in on Candice> if you get this right, Immunity is yours. <A view of the six **Ranguana** members is now shown, before Jeff is shown again> *Candice*. <The camera now shows Candice revealing her answer, which says “Sekou.” The camera abruptly cuts back to Jeff>

Jeff Probst: Candice remembers it well; <short pause> Sekou is *right*. <Candice can be seen smiling, before the camera shows Jeff again> And with that, Candice wins this challenge. <A view of Jamie is shown, as he says “Nice job, Candice”>

Not one question *wrong*... <Cirie is shown with a nervous expression on her face, before the camera cuts ahead to show a clip of Jeff putting the Immunity necklace around Candice's neck>

Jeff Probst: <to Candice> *Congratulations.* <Candice now says "Thanks"> For the first time, you have individual Immunity. <The camera continues to focus on Candice>

Candice: It feels good... <laughs> <Jeff now puts one hand on Candice's shoulder>

Jeff Probst: <to Candice> You are safe from the vote tonight; <short pause> guaranteed a spot in the Final Five. <The camera then cuts back to the other five **Ranguana** members> *sadly*, for the rest of you, Tribal Council tonight, <Brandon is then shown> and somebody *will* be going home. <A close-up view of Danni is shown, before the camera goes back to Jeff> Grab your stuff; <short pause> head back to camp. <Candice can then be seen walking back towards her tribemates> I'll see you at *Tribal*. <The camera shows rapid clips of the **Ranguana** members, as they walk out of the challenge area. The camera then zooms in on Candice and focuses on the Immunity necklace for a few seconds, as the screen fades out>

Ranguana Tribe - Day 36

<'Forest Flutes' plays, as the camera shows a wide view of the **Ranguana** tribe's beach, and then zooms in on their tribal flag, as it blows in the soft breeze. A brightly colored parrot is seen perched in a branch, before the camera fades out to show the castaways returning to camp>

Danni: <to Candice> It was a close one again *today*... <Candice is then shown nodding>

Candice: Yeah; <pause> it's just funny how the last question ended up being something about my season, <Danni can be heard saying "Yeah"> you know, that I was *there* for. <The camera now switches angles to show Jamie>

Jamie: <to Candice> It didn't matter *what* the question *was*, you know you were gonna get it anyway, so... <A giddy Candice can be heard saying "Thank you," as she hangs the Immunity necklace around her torch. The camera continues to focus on her for a few seconds>

Candice - CONFESSIOANAL: I won Immunity today at the *challenge*, and <pause> it was Survivor *trivia*, <laughs> which I knew a lot about, <The camera turns to Brandon> so <long pause> it's exciting to think that I'm gonna be one of the Final *Five*... <Several prominent drumbeats are heard, as the camera fades out to show Michelle, Candice, and Cirie>

Michelle: <to Candice> Are you still leaning towards *Danni*? <Candice now looks up, as Cirie says "Please tell me that you're gonna *vote* with us">

Michelle - CONFESSIOANAL: Before the Immunity Challenge, Candice and I kinda talked about voting for *Danni* <A clip of Danni tending to the fire is shown> so that Brandon and Jamie will both be vulnerable in the tie-breaker. <The camera switches angles to show both Brandon and Jamie> We *think* it's a good strategy, but we have to run it by Cirie. <The camera cuts back to the three women, as they continue talking>

Cirie: Drawing rocks is what is *usually* is... <The camera zooms back in on Michelle>

Michelle: <to Cirie> So then Danni would be *safe*, right? <Cirie can be heard saying "Yeah," as the camera focuses back in on her>

Cirie: <to Michelle> So we'd just have to take this one chance otherwise we're the next two gone anyway... <Michelle now says "Exactly">

Cirie - CONFSSIONAL: The plan for Tribal Council is for the women to all vote off *Danni* tonight <A prominent sound is heard, as Danni is shown again> and just *hope* that none of us gets eliminated by the tie-breaker, purple *rock* thing. <laughs> <Cirie is now shown>

Cirie: <to Michelle> It's one of us that they're voting for; <The camera shows Michelle nodding her head> I don't think they're gonna budge on *that*. <Candice is then shown>

Cirie - CONFSSIONAL: <continued> I mean, / have nothing to lose by writing Danni's name down because <short pause> I was probably going home tonight *already*, <The camera continues to focus on Cirie for a few seconds> so <pause> if it'll keep me here another day, then I'm all *for* it. <laughs> <The music becomes more dramatic, as the camera shows a clip of many birds flying over the **Ranguana** tribe's island, and then fades out to show Danni, Jamie, and Brandon talking on the beach>

Brandon: <to Jamie> What do you want to do tonight? <Jamie is now shown>

Jamie: Maybe we should vote for Michelle instead of Cirie. <Danni can be seen turning her head, before the camera focuses back in on Jamie>

Jamie - CONFSSIONAL: My plan was to vote off *Michelle* tonight even though she thinks I want to go to Final Two with her, <A clip of Michelle is now shown, as the camera focuses on her> and then get rid of Cirie next because Cirie won't win an Immunity, but Michelle *might*, so we need her gone *now*. <Another view of Jamie is shown next>

Jamie: If we vote out Cirie tonight and then Michelle wins Immunity *next* time, we don't have a *back-up*; <Danni is shown nodding> you know what I'm sayin'? <'Circle of Trust' begins to play, as the camera shows a fast-forwarded view of the sky, and then fades out to show a clip of Candice walking over to Michelle and Cirie, as she says "I only have a minute to talk">

Candice: I'm thinking we should still vote for *Brandon*... <Michelle is then shown looking up>

Michelle: <to Candice> Even in a tie? <Another view of Candice is shown next>

Candice: Because I think we might be able to convince Jamie, <Cirie can be heard saying "I don't know"> because he said something to me a couple days ago about not thinking he could beat *Brandon* in the Final Two, <Michelle then says "Oh"> and I didn't even *think* of that until now... <The camera switches angles to show Michelle>

Michelle: We'll talk to Jamie, okay? <Cirie is then shown with an uneasy expression>

Candice: He'll know that he has a better chance with one of us, <A quick close-up view of Jamie is shown> and <pause> he won't want to take a chance on a rock... <An uncertain Cirie is then shown again>

Cirie: So I guess, unless he says *no*, we'll vote *Brandon*... <A side view of Candice is shown>

Candice: Okay; I'll be back. <The camera cuts ahead to show Candice walking back to the main camp area, and dropping an armful of firewood down in front of the fire pit>

Candice - CONFSSIONAL: These last few days, there's been kind of a debate about whether we wanted to vote off Danni or *Brandon*, <Danni and Brandon are both shown scaling fish> and we keep going back-and-forth about it. <A clip of Michelle and Cirie walking along the beach together is shown next>

Michelle: I think it gets harder as you get closer to the end to get sent home... <Cirie can be seen nodding her head, before the camera cuts back to Candice>

Candice - CONFSSIONAL: <continued> I think the consensus now is that we're gonna vote for Brandon like we originally wanted to <Another close-up view of Brandon is shown> and somehow convince *Jamie* to go along with it... <'Ghost Gamelan' begins to play, as the camera shows a clip of a lizard scurrying across a log, and then switches angles to show Candice and Jamie sitting by the fire and Candice says something inaudible>

Jamie: <to Candice> Do you see him as a *threat* at all, or no? <Candice now turns her head>

Candice: <to Jamie> I don't think we could let Brandon get to the Final Two... <Another close-up view of Jamie is shown, as he shifts his expression>

Jamie: You think he'd win by a *lot*? <The camera then scrolls back over to Candice, who has a strange expression on her face>

Candice: I think the jury would probably vote for him. <Jamie now asks "Why would anybody vote for a winner?"> Because he got to the end even though he was a *target*, <There is a prominent sound, as the camera shows a clip of Brandon walking along the beach> and <short pause> even *Jonathan* said that he'd have a hard time not voting for a winner who got to the Final Two... <Jamie is then shown with a nervous look on his face>

Jamie: <to Candice> I guess I wasn't *looking* at it like that, you know? <An eerie shift in the music occurs, as the camera continues to focus on an uncertain Jamie>

Candice: That's how *I* would be thinking if I was on the jury and I know Michelle and Cirie both said the same *thing*, so... <Both Candice and Jamie are now shown>

Jamie: <to Candice> So you would vote for Brandon? <Candice is then shown again>

Candice: I mean, it would be hard *not* to. <There is an awkward silence, as the camera continues to show Jamie and Candice> So that's four jury votes that Brandon would most likely get... <Jamie can be seen tensing his expression>

Jamie - CONFSSIONAL: Candice came to me today and started saying that I wouldn't win a jury vote against Brandon... <Another view of Jamie is shown>

Jamie: <to Candice> Who do you think it would be *easiest* for me to go up against? <Candice is then shown, as the camera zooms in on her>

Candice: <to Jamie> *Me*, <laughs> because Cirie, Michelle, and Danni are all well-*liked*, <The camera now shows rapid clips of the three castaways> but <pause> Brandon's the strongest in physical challenges... <The camera shows another view of Jamie>

Jamie: Well, we're voting Michelle off tonight and then Cirie... <Candice is shown again>

Candice: Personally, I'd rather vote Brandon out first. <A prominent drumbeat is heard, as Jamie can be heard saying "You're gonna vote *Brandon*?"> Well, this is

it; <short pause> I mean, there's three days left after today and this is the home *stretch*. <Jamie is now shown>

Jamie: <to Candice> I wish you would've told me that *earlier*, you know? <Candice is shown>

Candice: <to Jamie> I'm just thinking about all the options, but that's where I'm *leaning*, <The camera shows a clip of both Brandon and Danni> and I think you need to seriously consider taking him out *now*... <The camera scrolls back over to an expressionless Jamie and continues to focus on him for a few seconds>

Jamie: I need a little time to *think* about all this... <Candice says something inaudible, before the camera cuts back to a nervous Jamie>

Jamie - CONFESSIOANAL: <continued> I got a lot on my *mind* right now, <The camera focuses on Jamie for a few seconds, as he rows> and <long pause> *now* I'm not sure what I'm gonna do. <Another view of Jamie is shown next>

Jamie: I promised Brandon I would take him to the Final *Two* with me, so... <Candice is then shown again, as she says "I know it's tough," and 'Big Bad Spirits' begins to play>

Candice - CONFESSIOANAL: I'm just trying to paint the picture for Jamie that he definitely can't beat *Brandon* in the end, <A clip of Brandon grabbing his torch is now shown> and that he needs to vote Brandon out tonight. <The camera then goes back to Jamie> Who knows if I did a good enough *job* of that? <A mysterious sound is heard, as the camera shows Candice putting the Immunity necklace around her neck, and then returns to Jamie again>

Jamie - CONFESSIOANAL: No matter *who* I vote for, it's gonna be someone who might take me to the Final Two. <The camera scrolls over to Michelle, as she grabs her torch> I know that Candice is saying, uh, Brandon's gonna have to leave *anyway*, so why not *tonight*? <Candice is shown again> There's a lot of things you have to think about... <An eerie sound is heard, as the camera shows a view of the darkening sky and then fades out to show Jamie and Brandon both standing with their torches>

Jamie: <to Brandon> Our days are really numbered here now. <Brandon nods his head>

Jamie - CONFESSIOANAL: <continued> If I end up turning on *Brandon*, I'd feel like *trash*, <A wide view of the **Ranguana** members walking out of camp is shown next> but <long pause> I'm here for the million dollars and this is what you have to do... <A prominent drumbeat is heard, as the screen fades out>

Tribal Council #14 - **Ranguana Tribe**

<'Tally the Vote' begins to play, as the camera shows an aerial view of Tribal Council, and then abruptly cuts ahead to show an infrared clip of dark clouds rapidly shifting around a ship's masts. The camera then switches angles to show the six **Ranguana** members walking up the long path, before fading into a close-up view of a flickering flame. An overhead view of the main Tribal Council is shown next, as the castaways walk in. The camera shows Michelle setting her torch down, and then zooms out to show the entire tribe sitting down on their stumps, before scrolling over to Jeff>

Jeff Probst: We'll now bring in the members of our jury: <short pause> Edgardo, <An aerial view of the main Tribal Council area is shown, as the jury members walk

in> Judd, Tina, <The camera shows quick views of Judd and Tina> Bruce, <Bruce is then shown next> Danielle, <A close-up view of Danielle is shown, as she sits down> and *Jonathan*, <The camera now scrolls over to Jonathan> voted out at the last Tribal Council. <There is a prominent drumbeat, as the camera shows Jonathan sitting down on the jury benches. Michelle is then shown smirking, before the camera focuses back in on Jeff>

Jeff Probst: Candice, this has been sort of your *week*. <A smiling Candice can be seen nodding her head, as she says “*Yeah*”> First, you win a 2008 Ford Mustang at the Reward Challenge; <A prominent sound is heard, as the camera shows Judd looking up> you get a night away from camp at a luxury *spa* resort, <Tina is then shown> and you win your first individual *Immunity*. <The camera shows Edgardo shifting his expression and then turns to a burning torch, before focusing back in on Jeff>

Jeff Probst: Is there a double-edged *sword* to going on a Reward <A wide view of all six *Ranguana* members is shown> and being away from camp and not in the *mix* of things? <The camera now focuses on Candice>

Candice: There *definitely* is. <Cirie can now be seen nodding her head> I mean, any time you’re not at camp, people could be talking about you, <The camera now scrolls over to Jamie> and you know they *are*, but <pause> you just have to hope that they’re talking about how *great* you are, <laughs> <Michelle is shown smiling> and not getting *rid* of you. <The camera shows another view of Cirie, and then returns to Jeff>

Jeff Probst: Cirie, as Candice was talking, you were *nodding*... <Cirie is shown again>

Cirie: It’s almost like going to Exile Island <short pause> except I wasn’t very comfortable and they were both getting showers and *massages*, <The camera shows Danni and Candice> but I mean, you’re still out of the loop of what’s going *on*, <Jamie is shown staring ahead> so <short pause> it can almost be a *bad* thing. <Jeff is now shown again>

Jeff Probst: Let’s talk about the *flipside* of the Reward, Michelle. <Another view of the entire *Ranguana* tribe is shown next> Was there any bonding going on back at *camp*? <The camera then zooms in on Michelle>

Michelle: I don’t really think it’s *possible* for me to become friends with either Brandon or Jamie as close as they are with each *other*, <A close-up view of Brandon is then shown> so there wasn’t really much *bonding* going on. <laughs> <The camera returns to Jeff>

Jeff Probst: Jamie, <short pause> on *paper*, you look like you’d be one of the biggest threats in *physical* challenges, <Jamie can then be seen smirking> so <pause> why do you think you’re still *here*? <A few laughs are heard, as the camera scrolls across the six jury members and then returns to Jamie>

Jamie: I’m a threat is what everyone is saying. You know, I might *look* strong but <pause> I haven’t won any challenges *yet*, <Michelle is now shown staring ahead> so I don’t know if I really am a threat or not. <The camera shows a burning torch and then scrolls forward to show Brandon> I’m definitely not a threat in *mental* challenges; I’ll say that much... <laughs> <The camera now focuses back in on Jeff>

Jeff Probst: Brandon, <pause> if you were one of the people sitting there at the Final Tribal Council, <An eerie shift in the music occurs, as the camera shows the

six jury members> how do you think the jury would *feel* about you being a former *winner* <Jamie can now be seen turning his head> and possibly awarding you with another million dollars? <The camera then goes back to Brandon>

Brandon: I've tried to think about that, you know, <A view of both Danielle and Jonathan is shown> and I know everybody *else* has thought about it too. <Candice is then shown with a thoughtful look on her face> I think the reaction from the jury would probably be *mixed*, but I mean, I've got a one-in-six shot tonight at the million dollars, <There is a prominent drumbeat, as the camera switches angles to show Judd> and tomorrow I'll have a one-in-five shot just like everybody else. <A wide view of the six **Ranguana** members are shown again> That's all I can really say. <Another view of Jeff is shown next>

Jeff Probst: Danni, <short pause> at *this* stage of the game, how do you know if you can really *trust* somebody <The camera now shows Danni nodding her head> because you certainly can't rely on what they *tell* you? <Danni, Brandon, and Jamie are then shown next>

Danni: No; <laughs> um, I don't think you can fully trust *anybody* in this game, <The camera then zooms in on Jamie> but I think it tells you a lot, you know, what people are *doing* and how they're *acting* around you; <Cirie is then shown raising her eyebrows> if they're making *eye* contact, <The camera scrolls across each of the jury members> so I look at *facial* expressions because yeah, you definitely can't go just on what people *tell* you or else you're gonna be S.O.L. <laughs> <The camera goes back to Jeff>

Jeff Probst: Cirie, <Jeff pauses, as the camera shows a view of all six castaways> if it's you tonight, just the way it goes? <The camera now zooms in on Cirie>

Cirie: Of course, I would *love* to make it up until the last day, <A wide view of Michelle, Danni, and Candice is shown> but I've made it *this* far and I'm happy with whatever happens. <Cirie is then shown again> I mean, <short pause> how can I be *disappointed*? <The camera switches angles to show Bruce and Danielle> I've gotten here and if it's my time tonight, there's nothing I can *do* that's more than what I've already done. <Another view of Michelle is shown, before the camera scrolls across the **Ranguana** members and then returns to Jeff>

Jeff Probst: What do you think the result'll be from tonight's vote, Candice? <The camera zooms back in on Candice>

Candice: I think you're gonna see a more *individual* vote this time, <There is a prominent sound, as the camera shows Danni looking up> because it's so close to the end and people are gonna be looking at other options <Jonathan is now shown with a look of disbelief on his face> before it's too late to really make a change, <Brandon is then shown shifting his expression> and it's not to intentionally break *alliances*, <An uneasy Jamie is shown> it's just, you know, coming down to the wire now and you have to make moves. <Jonathan is now shown shaking his head, before the camera returns to Jeff>

Jeff Probst: Alright; <short pause> let's get to the *vote*. <The camera shows a wide view of the six remaining **Ranguana** members> Candice, you have the individual Immunity necklace. <An eerie sound is heard, as the camera zooms in on Candice> Gonna hold *on* to that? <Candice can now be seen nodding her head>

Candice: I'm gonna *keep* it, Jeff... <There is a prominent sound, as the camera returns to Jeff>

Jeff Probst: You cannot vote for *Candice*. <Candice is now shown again>
Everybody else is fair game. <The camera turns to both Brandon and Danni>
Jeff Probst: It is time to vote. <short pause> Danni, you're up. <A view of the entire *Ranguana* tribe is shown, as Danni can be seen standing up and walking across the main Tribal Council area. The camera then scrolls over to Cirie>

<An aerial view of the main Tribal Council area is shown, as Danni can be seen arriving at the voting confessional. She picks up the pen and uncaps it, before the camera fades out to show a clip of a burning torch and then scrolls over to Jamie. Danni is then shown again, as she holds her vote up to the camera: **Michelle**>

Danni: Michelle, <short pause> you're just next in line to be *chopped*. <A close-up view of Michelle is shown, before the camera cuts ahead to show a clip of Candice placing her folded vote into the urn. Jamie is then shown with his hands nervously clasped together, as the camera scrolls up to his face. A prominent drumbeat is then heard, as the camera abruptly switches angles to show Brandon holding up his vote: **Michelle**>

Brandon: I just have to stick with my alliance; <Michelle is then shown again, as she stares ahead> that's the only reason you're getting this *vote*. <Brandon now folds his vote and places it into the urn, as the camera shows a close-up view of Cirie, and then cuts ahead to show a side view of Michelle walking up to the voting confessional. She picks up the pen, as the camera fades out to show a clip of Candice staring into the distance. Michelle is now shown holding her vote up to the camera: **Brandon**>

Michelle: Brandon, <The camera focuses on Brandon for a few seconds> you're a winner *and* you're strong, but that's why you're a *threat* to me and that's why you have to go. <Michelle places her folded vote into the urn, as the camera cuts ahead to show a close-up view of a piece of parchment and Cirie begins to write a name down. Another view of Brandon is shown, before the camera shows a snake slithering across a Mayan mask, and then fades into a clip of a flickering flame. The last castaway to vote is Jamie. He can be seen walking up to the voting confessional. He then picks up the pen, as the camera fades out to show a close-up view of Michelle.
